URBAN DESIGN

PROJECT COORDINATOR & URBAN DESIGNER

Crandall Arambula | Portland, OR | August 2016 – October 2019

RESPONSIBILITIES

Management.

- Maintain daily communication with client and consultant team
- Coordinate complex planning processes involving multiple city departments, stakeholders, steering committees and diverse citizen groups.
- Monitor project scope, schedule, and budget.
- Lead production of project deliverables

Analysis & Production.

- Process, catalog, and assess existing site and regulatory conditions
- Generate 2D and 3D digital iterations of design concepts
- Create photorealistic renderings
- Design, write, and edit multimedia report documents, technical memoranda, and proposals.
- Develop presentation materials for public meetings, including handouts, posters and slideshows

Innovation.

- Develop graphic standards and streamline production work flow
- Assist marketing and procurement efforts including research, communications, proposal preparation, and participation in interviews.

SELECTED PROJECTS

Project Coordination & Management

- Transform 17 Conceptual Master Planning & Redevelopment | City of Mesa, AZ | 2017-2018
